

Safety Recall

2007 (SL808B)

2008 (SL808F)

2007 and 2008 Tango Double Stroller

For safety reasons and in cooperation with the U.S. Consumer Product Safety Commission, we are providing free of charge to all affected consumers and retailers a repair kit that will eliminate the hazard of frame latch unlocking. The affected model is the 2007 (SL-808B) and 2008 (SL-808F) Tango Double Stroller.

To ensure accurate and timely delivery of your safety kit, please [E-mail Us](#) your Name, Phone Number, Mailing Address, Item Number, and Production Date. (*Item Number and Production Date locate on the back of the seat cover.*)
